First aider is myself.

NB: PLEASE WEAR HI VIZ JACKETS OR TABARDS.

I will lead the ride and you may ride next to me, or whom every you like but there will be NO going past me. Mostly we will be in walk, a forward march to raise hr and increase fitness without strain on our horse.

You will need to be aware of your space and that of others please don't get kicked.

If anyone is in trouble for whatever reason you shout STOP and we will all stop some horses may not be used to working in a group so please give them space and time.

This is not training but you are welcome to ask questions.

There are a couple of gates and I will do them.

Any overtaking will be done by asking permission first.
