### Talkround

Please walk in and out of venue.

Everyone turns right out of the venue and right at the T junction. at the White Hart pub turn left, steep path over bridge, stay to left (steward) follow tram road up over metal bridge and up to forestry. As you come out on to the junction go right downhill to **A** and go right over dam, as you come off the dam – go left. There is a short road section so be aware of traffic. When you get to carpark (crew) go through gate on right, uphill round to left through gate into forestry, stay on this main track to **E** 30k goes left here first loop only, everyone else goes right staying on main track. To **D**

(30k first loop only, downhill to road right to **F** left on bridle path to stream)

All others. at **D 20k** and second loop **30k** go left to **F**. At **F** follow bridle path, gate will be manned, to stream. It can be quite deep. Stay on path going up under wood to gate (manned) careful over gully, washed out, track is very washed away and there is a tree to go around. At the top you come to **B** - go left back to **A**

**20k** go straight over on to two-way section and home.

**30k** go left over dam **loop 2**, left off dam, at carpark right to **E** turn right to **D** left to **F** over stream to **B** left to **A** and go straight on to two-way section home.

**40k** at **D** go right on to road up hill to cattle grid, manned, up to car park on your left **C** through gate and follow track down to **B** straight on to **A**. **second loop**. left over dam left off dam, at carpark right to **E** right to **D** right on to road to **C** back to **B** and **A** and straight across to go home.

Careful back over bridge that will be stewarded, right Infront of pub left at junction left into venue.
